INFORMATION FOR EXCHANGE STUDENTS

Second semester: October 15th

Application deadlines
First semester/full year: June 20th
Second semester: November 20th

Period of the mobility
We accept students for one semester of the full year. Full year is recommended since practical courses last one year while theory courses last one semester.

Application process
Students are nominated by their home institution by May 15th or October 15th. Once the nomination is sent, students will receive information on which documents to submit to apply:
- Application form
- ID
- Artistic portfolio (at least 10 artworks), pdf format
- Italian language certification (not compulsory)

**Selection process**
A committee of professors will reunite and examine students’ portfolios and applications. Students will be accepted depending on the quality of their work and the places available in each department/course. Students will receive an answer within 1 month from the application deadline.

**Selected students**
Selected students must send their Learning Agreement to erasmus@accademiavenezia.it

**Language requirements**
An Italian language certification is not compulsory. Every year the Academy will confirm if an Italian A1 language course is organized. If the course is not organized, the recommended Italian level for students is B1. Students are strongly recommended to study Italian before their arrival. All the classes in the Academy are given in Italian.

**Transcript of records**
A Transcript of Records will be issued within four weeks after the end of the exchange period.
